

~~~~~ Simple Calculator ~~~~~

Select an operation:

+: Addition

-: Subtract

\*: Multiplication

/: Division

Enter operation: (+, - , \* , /) /

Enter first number: 0

Enter second number: 0

ERROR: Undefined

-----

Do you want to continue with another calculation? (YES/NO):yes

Enter operation: (+, - , \* , /) /

Enter first number: 9

Enter second number: 0

ERROR: Zero as a divisor is not allowed.

-----

Do you want to continue with another calculation? (YES/NO):yes

Enter operation: (+, - , \* , /) /

Enter first number: 0

Enter second number: 9

Result: 0.0 / 9.0 = 0.0

Do you want to continue with another calculation? (YES/NO):yes

~~~~~ Simple Calculator ~~~~~

Select an operation:

+: Addition

-: Subtract

*: Multiplication

/: Division

Enter operation: (+, - , * , /) /

Enter first number: 18

Enter second number: 5

Result: 18.0 / 5.0 = 3.6

Do you want to continue with another calculation? (YES/NO):yes

Enter operation: (+, - , * , /) *

Enter first number: 6

Enter second number: 9

Result: 6.0 * 9.0 = 54.0

Do you want to continue with another calculation? (YES/NO):yes

Enter operation: (+, - , * , /) *

Enter first number: -7

Enter second number: 2

Result: -7.0 * 2.0 = -14.0

Do you want to continue with another calculation? (YES/NO):yes

Enter operation: (+, - , * , /) |

```
Enter operation: (+, - , * , /) -
Enter first number: 7
Enter second number: 9
Result: 7.0 - 9.0 = -2.0
Do you want to continue with another calculation? (YES/NO):yes
Enter operation: (+, - , * , /) -2
ERROR: INVALID INPUT! Please enter "YES" or "NO".
Enter operation: (+, - , * , /) -
Enter first number: -2
Enter second number: 8
Result: -2.0 - 8.0 = -10.0
Do you want to continue with another calculation? (YES/NO):yes
Enter operation: (+, - , * , /) +
Enter first number: 3
Enter second number: 9
Result: 3.0 + 9.0 = 12.0
Do you want to continue with another calculation? (YES/NO):yes
Enter operation: (+, - , * , /) +
Enter first number: -78
Enter second number: 96
Result: -78.0 + 96.0 = 18.0
Do you want to continue with another calculation? (YES/NO):no
